New Coronet Bingo Newsletter!

Issue 5 - January 2009

Ahh Christmas is over for another year. The decorations are down, a new year begins and we can all look forward to Spring. Happy days.

I hope you all had a lovely Christmas and didn't miss us too much the two days of the year we close for the festivities. I bet like me, you were desperate to get out the house and back to bingo by the end of it. Happy holidays!

Right then where do we start? It's been a busy few months gone by so let's have a look at what's been going on... Well we started the new National Bingo Game on September the 1st and we were shouting about how you had double the chance of winning. Better chances, better choices etc etc.

So how did we do...? Well we've had four zone winners in the past three months all winning £3000-5000! Not bad at all eh? See, trust me... I'm a bingo caller!

Bingo for Breakthrough VS Halloween

Here we have some pictures of our charity week at the end of October which preceded our Halloween party night. Throughout the last week in October we played some extra games to try and raise money for Breakthrough Breast Cancer. And you lot did a very fine job by helping us raise a grand total of £903.18. Thank you very much to everyone that contributed and dressed up in the traditional pink of the charity, it goes to a very good cause and we hope you had fun throughout.

Party time!

At the beginning of December we had our annual OAP's party. Over 200 people including some of our longest running members joined in the fun and festivities.

It was a fantastic day with some good food, good drinks, lively entertainment (Steve Crampton pictured below with Mrs C and John) and of course the most important ingredient... a healthy dose of Bingo! It looked like the staff enjoyed the party as much as the customers and was great to see so many smiling faces.

We look forward to seeing you all throughout the new year and hope you had as good a time as we all did.
