New Coronet Bingo Newsletter!

Issue 7 - March 2010

What's New?

Over the past year we've introduced some new games and some new sessions. Wednesday nights we have a 4 page link with one club in Bracknell plus a free 3 page late session. Thursday afternoons we have a 5 page link with Bracknell. Friday nights we have a free 3 page late session. Plus every evening session we have introduced a new 5.30pm mini cash link on your boards with consecutive full house games that run up until the Cashpot at 6.00pm. Then to finish the sessions we have a new 9.30pm link flyer which costs just 50p with an estimated payout of £500. More than ever there's something new and exciting for you to do at Coronet Bingo. Hurrah!

"We Never Closed"

Just like the Windmill Theatre in London during the Blitz, we never closed. Granted the 3 week snow storms that ravaged Britain over New Year were not quite as bad as the Second World War but while many businesses shut up shop and people stayed snug in their houses we never closed. For the Windmill Theatre it was the nude living statues that brought the punters in and although it proved difficult to encourage some of the staff to keep their clothes on during the Christmas parties, I'm not so sure our staff going nude would be that appealing! It would seem great value, friendly, fun filled Bingo is the main attraction here and whether we get 1 customer or 100 through the door, **We Never Close!**

Xmas fun

December was great fun and looked like you all really enjoyed yourselves, staff and customers alike. We only had one injury...to our Kim who fractured her wrist falling over on the dance floor after one of the staff parties but at least she was still smiling! Enjoy these pictures from the festive period.

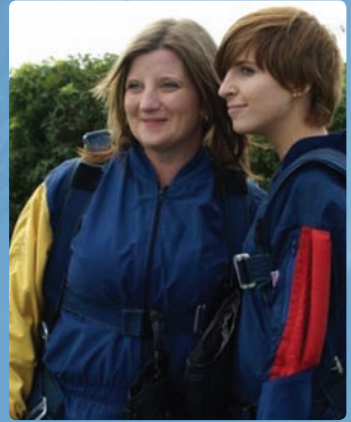

Easter Excitement!

Moving on from Christmas to Easter we have some more exciting fun and games lined up for you all. Firstly we have had a huge demand for the re-introduction of the double chance Cash Climber we played over Christmas. It will cost £1 with 50p going towards the session's prize and 50p going towards all the rolling jackpots. With so many chances to win and a game that lasts throughout the session

it's not only great fun but great value. Next we have the Cashpots "Grand Easter Weekend". From Good Friday to Bank Holiday Monday all the Cashpots we play at 12pm, 6pm and 7pm will payout £1000 a line £1000 two lines and £1000 full house, plus on Easter Monday the full houses will rise to £5000!!! On top of all this we have the vouchers on the back of this Newsletter. How exciting?!!

How does it feel to jump out of a plane at 13,000 feet?

Just ask two of our staff members Sarah and Jessica. On September 20th 2009 the daredevil duo donned their jumpsuits and took to the skies for a charity skydive. The pair raised over £1000 for their chosen charities, MIND and Help for Heroes, and when I asked what it was like they replied in unison "Almost as exciting as Bingo!"

New National Game

Keep your eyes and ears open for a brand new Mini Cash National game in addition to the paper National Game coming soon to a bingo club near you i.e. us! We can't tell you too much about it just yet but its all very very exciting and we will be the only club in Oxfordshire taking part. Last year we averaged one regional or national game winner every month so it just goes to show there's no better time to start getting involved.

"Super, Smashing, Great"

The new voice of Coronet Bingo on Heart FM is the one and only Jim Bowen! Listen out for the famous Bullseye host advertising our club on the local radio station. Bingo, its almost as good as a bit of Bully!
